

ZOOT PoS
Sell Better ! Sell More !

ZOOT PoS

Whether you are a single store or a chain across multiple locations, ZOOT PoS changes the way you sell, win customers and scale up, by digitising your business.

You can manage your inventories, streamline purchases, track & analyse your sales across all your locations.

Multi device billing lets you transact from a terminal, PDA or a mobile and is seamlessly integrated with multiple payment options such as Direct banks, wallets etc.

Shoppers can track their spends / purchases, check for offers and discounts - whats-more, they can redeem their loyalty points, too.
